

Redondo Beach Desal Pow Wow

**Our local West Basin
water agency would like to build a
500,000 gallon per day
desalination demo facility on the AES
Redondo power plant property**

**Come listen to desalinization experts as they explain
the need for multiple water sources
and hear the concerns about the potential impacts to
our community and the Santa Monica Bay**

**Thursday
September 14, 2006
7:00 p.m. – 8:30 p.m.
Veterans Park Historical Library
309 Esplanade - Parking in Metered lot or RB Pier**

Invited

**West Basin Municipal Water District
Surfrider Foundation
Heal the Bay
Santa Monica Bay Keepers
...and more!**

**Sponsored by The South Bay Parkland Conservancy
